Lucylle

Body:

An IP65 luminaire with extruded aluminium base supporting two harmonic steel bars that enclose the wiring for the extra-low-voltage LED. The harmonic steel bars sway and return to their original position. A highpower LED, in various colours, is positioned on the end of the harmonic steel bars, enclosed in a satin methacrylate capsule.

Light Sources:

One 1W LED available in the cool white version, or one blue, amber, green or red 1W LED.

Emissions:

Symmetrical diffuse distribution for signalling purposes.

Colours:

Standard 00

Power Supply:

12VDC power supply.

Components:

Electronic control gears. Mounting base with anchor bolts and spike for anchoring the luminaire to the floor.
